Washington, D.C. 20505

1 JUN 1983

Dear

I take the occasion of your retirement from the United States Air Force to express the appreciation of the Intelligence Community as well as my own for your sustained outstanding support of a complex project for the Central Intelligence Agency and the Defense Intelligence Agency. Your contribution will have a long-lasting, positive effect on the future of the entire Intelligence Community.

Your aggressive pursuit of objectives in the best interest of the federal government, your diligence, and your ability to get the job done under the most trying conditions reflect high credit on you. Your family, country, and the United States Air Force can be justly proud of your accomplishments.

I wish you every success for the future.

Sincerely,

W. J. William J. Casey
